Hi Northfield,

I'm writing to file a claim on policy NFM-PA-4471337. On September 9th at about 8am I scraped the right front of my 2019 Toyota Camry SE (VIN 4T1BFPR92KA838637) on a concrete pillar in the parking garage at 50 W Broad St downtown. No one else was involved and nobody was hurt.

I'm not sure if my phone call last week went through to a claim, so I'm sending it in writing with the estimate from Olentangy Auto Body attached.
