Good morning,

I went out to my car Friday morning (Oct 2) around 6:30 and it was roaring like a race car. Someone cut the catalytic converter off my 2014 Prius overnight while it was parked in my apartment lot. My policy number is NFM-PA-4473529 and the VIN is 4T1N5J4M3EE731781.

I filed a police report with New Albany PD (report NAPD-26-002291) and got an estimate from Scioto Valley Collision, both attached. Nobody was hurt, it was just the car.

Thanks,
Jasmine Whitfield
